PCD FRANCHISE PARTNERSHIP

Will Healthcare supports pharma distributors, medical representatives, stockists and entrepreneurs with a focused product portfolio and district-level franchise opportunities.

District Monopoly Rights

Territory-focused distribution opportunities subject to commercial confirmation and documentation.

Direct Business Support

Product information, promotional coordination and franchise enquiry support from the Will Healthcare team.

Current 62-Product Range

A consolidated master list across dermatology, tablets, capsules, oral liquids, nutrition, personal care and Ayush.

Packing Information

Each listing includes the current composition and pack details supplied in the approved master list.

How to Start

1	Share your target district and preferred product categories.
2	Submit applicable wholesale drug licence and GST documentation.
3	Confirm product selection, commercial terms and territory availability.
4	Complete onboarding and coordinate stock dispatch and promotional support.
